### CERTIFICATE OF ANALYSIS

Product name                      Goji Concentrated Juice  
Batch Number                      RBCJS080310  
Batch Quantity                      6000 kg  
Manufacture Date:                      Mar 7, 2008  
Date of Certificate                      Mar 10, 2008

| ANALYSIS                               | SPECIFICATION     | RESULTS  | TEST STANDARD     |
|----------------------------------------|-------------------|----------|-------------------|
| <b>Appearance</b>                      | Orange Red liquid | Complies |                   |
| <b>Odor</b>                            | Characteristic    | Complies |                   |
| <b>Brix</b>                            | ≥36               | 38       | GB/T12143.1-89    |
| <b>Acid Value</b>                      | ≥0.3%             | 0.8%     | GB/T12456-90      |
| <b>PH</b>                              | 3.5~4.6           | 4.1      | NY82.7—1988       |
| <b>Residual SO<sub>2</sub> (mg/kg)</b> | <10               | Complies | AOAC 990.28       |
| <b>Heavy metal (mg/kg)</b>             |                   |          |                   |
| Pb                                     | ≤1                | 0.06     | GB/T 5009.12—2003 |
| Cd                                     | ≤0.05             | 0.04     | GB/T 5009.15—2003 |
| As                                     | ≤0.5              | 0.05     | GB/T 5009.11—2003 |
| Hg                                     | ≤0.01             | Negative | GB/T 5009.17—2003 |
| <b>Pesticide residual (mg/kg)</b>      |                   |          |                   |
| Cypermethrin                           | ≤0.5              | Complies | GB/T 5009.110     |
| Deltamethrin                           | ≤0.05             | Complies | GB/T 5009.110     |
| Endosulfans                            | ≤0.01             | Complies | SN0160-92         |
| Fenvalerate                            | ≤0.03             | Complies | GB/T 5009.110     |
| Pyrethrins                             | ≤0.10             | Complies | SN0218-93         |
| Chlorpyrifos                           | ≤0.10             | Complies | GB/T 5009.145     |
| Dichlorvos                             | ≤0.01             | Complies | GB/T 5009.20      |
| Methamidophos                          | ≤0.01             | Complies | GB/T 5009.145     |
| Methidathion                           | ≤0.01             | Complies | GB/T 5009.145     |

|                     |           |          |               |
|---------------------|-----------|----------|---------------|
| Parathion-methyl    | ≤0. 01    | Complies | GB/T 5009.145 |
| Azocyclotin         | ≤0. 01    | Complies | SN0150-1992   |
| <b>Microbiology</b> |           |          |               |
| Total Plate Count   | <100cfu/g | 40cfu/g  | GB/T 4789.2   |
| Yeast and Molds     | <10cfu/g  | 6cfu/g   | GB/T 4789.15  |
| <i>E.coli</i>       | Negative  | Complies | GB/T 4789.3   |
| <i>S. aureus</i>    | Negative  | Complies | GB/T 4789.10  |
| <i>Salmonella</i>   | Negative  | Complies | GB/T 4789.4   |
| <i>Shigella</i>     | Negative  | Complies | GB/T 4789.5   |

**Conclusion**   Conform with specification

**Storage**       Store in sealed containers at cool & dry place. Protect from light, moisture and pest infestation.

**Shelf life**     1 years when properly stored
